

Since the coronavirus started in March New Horizons has had a food distribution every Tuesday from 10am to 12pm at Glenelder Campus 16234 Folger St. Hacienda Heights CA 91745. Starting in July food distribution will be every other Tuesday from 10am to 2pm.

Families will stay in their cars, while we load the groceries. New Horizons will continue to serve the public as long as supplies last and health permitted.

New Horizons mission is to help eradicate poverty through education. Your partnership is greatly appreciated.
