

New Horizons Caregivers Group "We Care and We Give"

Summer Distributions a Success!

New Horizons Caregivers Group (NHCG) helped during the Summer when schools were closed, providing low-income families and their young children groceries and school supplies directly through our new home at the HLPUSD Glenelder Campus

Volunteers help offload truckloads of food to help families in need each month.

930 students benefited with supplies.

Volunteers help prepare grocery bags for families. Families register to receive.

In addition to providing school supplies, backpacks, groceries, holiday gifts and meals NHCG was able to provide 6 students with scholarships during 3rd quarter. *One shown above.*

Students show off new backpacks.

Our next big project we are seeking help with is adopting families for Christmas. If you are interested:
