

New Horizons Caregivers Group "We Care and We Give"

Local Groups and Clubs Help with Food Drives

New Horizons Caregivers Group (NHCG) is very grateful to the various clubs of Wilson High School in Hacienda Heights for holding a large multi-club food drive to help our efforts in serving the families in need from the HLPUSD. The Wilson Wildcats donated 15 large cases of food items to help our food pantry!

During the first half of this year NHCG was awarded two important awards for all the work and generous donations provided to the local communities. First our Congressional Recognition for Excellence Award for the service provided to the Community Development Commission and

most recently the Association of California School Administrators Partner in Education Award for our ongoing support to several HLPUSD schools.

In addition to providing school supplies, backpacks, groceries, holiday gifts and meals NHCG also provides many schools with gift incentives that the children strive to win for excelling in attendance and academics.

Our next big project we are seeking help with is the collection of school supplies and packing backpacks for the new school year, which begins August 7th.

If you would like to donate school supplies or money to help purchase supplies that would be greatly appreciated. We will be working with other community groups filling backpacks on Saturday, August 2nd.
