

New Horizons Caregivers Group "We Care and We Give"

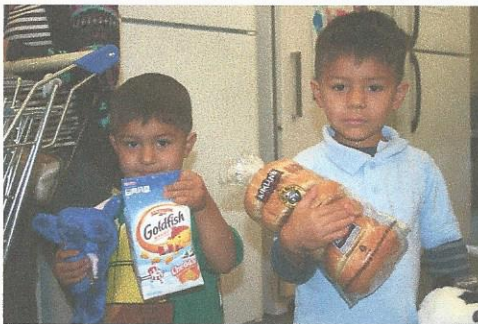

Schools Out For The Summer...but we're not!!

Kids from HLPUSD began summer vacation May 24th, and that is when we opened our doors to all HLPUSD low-income families with children to come to our location for assistance during the Summer months. We began our first distribution on June 15th. Our next distribution will be July 13th and then August 3rd.

Low-income families served by New Horizons during the Summer months receive canned goods, bread items, frozen meats, beans, rice and fresh produce worth over \$100. This helps feed their children during the period when free breakfasts and lunches are not readily available through the schools.

*Above: Parents line up to register.
Below: We could not help hundreds of families served without our dedicated volunteers. Volunteers help unload trucks and pack bags.*

All families coming to New Horizons for Summer Distributions must register with proof of address and income to receive grocery and school supply products. Regular distributions begin in the Fall at various school sites after Parent Education Classes.

**School starts August 8th.
Please consider donating school supplies by contacting:**

**Donna
(626) 941-8100**

THANK YOU!!!

Yes New Horizons I can help with a financial contribution. Here is my tax deductible donation to help low-income children and single parent families right away. I am enclosing my check for:

- \$100 to help pay for groceries and school supplies for a family in need.
- \$200 to help pay for groceries and backpacks for 2 families in need.
- \$_____ to help as much as I possibly can!

Please return donation to: New Horizons, 3129 Hacienda Blvd., #809, Hacienda Hts., CA 91745
